Waiting for the NLNK bill to be passed

In order to reduce that number even a little, I'm posting the "NL NK Bill" which is an early work and has the highest level of importance. It's like an image of dead leaves about to fall. I must do more than enough. If I do it just a little too quickly, I will probably get in trouble. I hope this never happens again.

③If there is a piano, I will perform the full piece, and I will also bring a saxophone and ballet shoes.

The rule is not to ask questions... Only make proposals in writing, including administrative procedures, as usual.

⑥At the meeting hall, "I do everything from booking to everything else myself, so can I go abroad?"

I asked various lawmakers
